I. AT-A-GLANCE

This Small Business Loan Guarantee Program (SBLGP) Financial Development Corporation (FDC) Policy Manual provides instructions, examples, and requirements for enrolling small business loans and making demands on guarantees (filing claims).

FDCs are expected to use this manual as a guide and to frequently visit IBank's Small Business Finance Center website at <http://www.ibank.ca.gov/small-business-finance-center/financial-development-corporations/> for the most current version of the manual, updated forms, and latest Directives & Requirements.

II. ELIGIBILITY REQUIREMENTS

The SBLGP offers eligible Financial Institutions (lenders) a mechanism to provide loans to small businesses that may otherwise not be able to obtain a loan under conventional underwriting. With the SBLGP, lenders are provided coverage on guaranteed loan defaults. Loans can be term loans or lines-of-credit, short-term or long-term, have fixed or variable rates, be secured or unsecured, and bear any type of amortization schedule. The loan must be for an eligible business purpose. Guarantees may be for a maximum of seven years.

As stated on the Conditional Approval Request (CAR), there are three refinance scenarios, each with its own requirements to be eligible for enrollment in the program. When refinancing previously guaranteed loans, a CAR must be submitted no later than **90 days** after the maturity date on the original loan.

a. Same Lender Refinance

Same lender refinance is only eligible for enrollment if all of the following conditions are met:

IBank will review the certification and evaluate the lender according to SBFC procedures. There may be no regulatory action against the lender. If a lender does not meet the standards, the request to participate will be declined.

Lenders are required to submit the “Lender Certification to Participate” each year. IBank will review the certifications quarterly to ensure continued eligibility. This form can be found in Chapter VIII.

Term loans require documentation for all disbursements, while lines of credit require documentation of the first disbursement.

E. SBLGP Enrollment Process

V. SUBMITTING A DEMAND ON A GUARANTEE

A. Overview

Pursuant to IBank's Demand Procedures as outlined in Section 5003 of IBank's SBLGP Directives & Requirements, the lender shall be authorized to make a demand upon the FDC for repayment of the defaulted loan's unpaid principal, and interest up to 90 days earned but unpaid.

For a guarantee demand to be paid by IBank, lenders and FDCs must submit a "Request for Payment on Defaulted Guarantee" form to IBank. For detailed instructions on how to complete the "Request for Payment on Defaulted Guarantee" please see Chapter VIII, section F.

All demand documents must be emailed to IBank at: SBFC@ibank.ca.gov

B. Small Business Loan Guarantee Demand Request

When a guaranteed loan defaults, the lender must submit specific documents to the FDC within timelines prescribed by IBank's SBLGP Directives & Requirements. Similarly, once FDCs are notified of a demand, FDCs must also comply with certain requirements before IBank issues any payments on the defaulted loan.

1. Lender Demand on FDC

- Two lender delinquency letters must be sent to the borrower at least 30 days apart and explain the consequences for failure to remedy the delinquency. Copies of the letters must be delivered to the FDC at the same time they are sent to the borrower.
- The demand letter to the FDC must contain a calculation of the unpaid loan principal and interest balance and must be accompanied by evidence of the borrower's default (i.e. loan payment history records). The guaranteed interest amount is calculated based on the outstanding principal loan balance at the time of default and cannot exceed 90 days.
- The lender must liquidate all borrower collateral by converting the collateral into cash. Lenders are only exempt from the liquidation requirement if the borrower has filed for bankruptcy, the lender can demonstrate that the collateral is without sufficient value to convert to cash, or lender can show good faith effort to liquidate.
- Liquidated collateral must be deducted from the outstanding loan principal balance.

Example: Outstanding principal loan balance is \$10,500. Liquidated collateral yields \$5,000. The adjusted principal balance is \$5,500 (\$10,500 minus \$5,000). With a guarantee percentage of 80%, the guaranteed principal amount is \$4,400 (80% of \$5,500).

- For term loans, if original disbursement is “undisbursed”, follow-up disbursement documentation will be required at the time a demand is made against the guarantee and must be available when requested by IBank for audits.

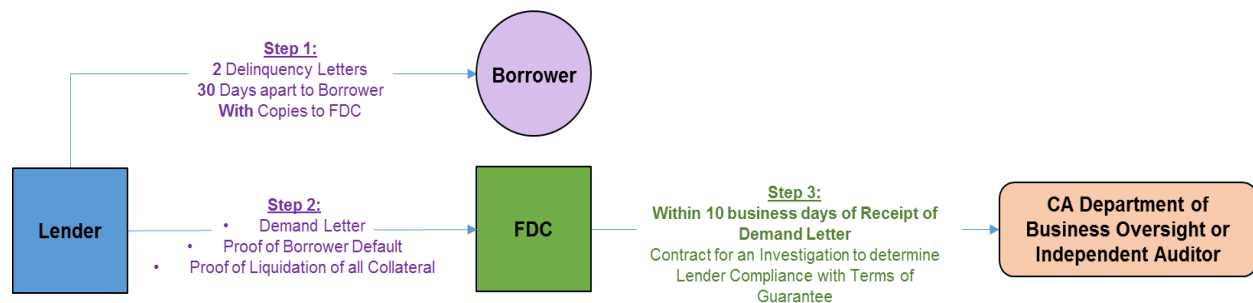

2. FDC Demand on IBank

- Within **10 business days** of receipt of the demand letter from the lender, FDCs must contract with an independent auditor or the California Department of Business Oversight to conduct an investigation on whether the lender complied with all terms of the guarantee. The report must address all items described in IBank’s SBLGP Directives & Requirements Section 5003(c)(1)-(9).
- Within **10 business days** of receipt of the investigation report, FDCs must submit to IBank a request for payment or notify the lender that the demand has been denied.
- FDCs must contact the lender within **5 business days** of receipt of the IBank check to make arrangements for delivery of the check. Upon delivery, the FDC must collect an assignment of the lender’s interest in the loan including the loan note and all collateral.

I. Under the authority granted by Chapter 1 of the California Small Business Financial Development Corporation Law (commencing with Section 14000) of Title 1, Division 3, Part 5, (the "Small Business Act"), the Board of Directors of Click to Select, ("Corporation") in its capacity as a nonprofit California small business financial development corporation created pursuant to the Small Business Act, , having offices at Click to Select under the delegated lending authority granted on Select Date, conditionally authorized a Guarantee Percentage Spelled-Out percent (Guarantee Percentage # %) guarantee (the "Guarantee") on the Click to Select ("Loan") which has been offered to Auto-Fill ("Borrower") by Auto-Fill ("Lender"). However, Corporation's commitment to the Guarantee will expire on Select Date, (no more than 90 days) if the Loan has not been executed by that time. There is no minimum term for a guarantee. The maximum term of any guarantee is seven years, however a loan term may be longer.

II. The Loan principal amount is \$Principal Amount (Principal Amount Spelled-Out) with a # of months month term. Repayment will consist of # of payments beginning on Select Date, of approximately \$Payment Amount (Payment Amount Spelled-Out) continuing each month until loan maturity on or before Select Date. III. Corporation shall be paid fees totaling **\$Total Fee Amount (Total Fee Amount Spelled-Out)** consisting of a **\$Guarantee Fee Amount (Guarantee Fee Amount Spelled-Out)** guarantee fee which represents **2.5%** of the guaranteed portion of the Loan and a **\$250** (Two Hundred and Fifty and No/100 Dollars) loan documentation fee. Lender agrees to pay these fees at the time the Loan documents are signed, and forward the fees to Corporation immediately.

IV. If Corporation's Guarantee is a "Collection Guarantee," then it is defined in the Directives & Requirements Section 5000 of the California Infrastructure and Economic Development Bank (IBank) for the Small Business Finance Center Programs (Directives and Requirements), and is valid and enforceable only against the outstanding Loan principal as of the date of Default (as defined in the Loan Default Procedures issued by the Corporation in connection with the Guarantee of the Loan/Line), minus subsequent payments attributed to principal and up to ninety (90) calendar days of post default interest earned and unpaid. The percentage of interest for which Corporation is liable under its Guarantee shall not exceed the percentage of Guarantee specified in paragraph I, above.

VII. Corporation's Guarantee covers "new debt" with Lender. Any and all balances open on any term loan or other indebtedness of the Borrower to the Lender or others at the time of the Guarantee's execution are not covered and will not be covered by the Guarantee. Lender shall provide Corporation with written confirmation of Borrower's existing debt at the time of the Guarantee's execution.

VIII. Lender has analyzed the financial capacity of the Borrower; Lender hereby confirms to Corporation the existence of all assets given as collateral to secure the Loan (Collateral) by personal inspection when possible or if not possible, then from independent third parties. Lender's representations to Corporation regarding the Borrower and the Borrower's financial capacity and Collateral are material to the Corporation's decision to offer the Guarantee of Lender's Loan to the Borrower notwithstanding any separate evaluation of the Borrower by Corporation.

IX. Lender warrants its evaluation of the Collateral securing the Loan to the Borrower provided in the above paragraph and agrees that it shall maintain an accurate record of all accounts of the Borrower to facilitate accessing all of the remedies available to the Lender under the California Uniform Commercial Code.

X. Lender and Corporation agree mutually to deal with one another in good faith in all aspects of their contractual relationship.

XI. If the Borrower is delinquent on the Loan payments, Lender shall evaluate all options for collection of the balance due on the Loan. Lender shall send the Borrower two delinquency notification letters at least 30 days apart prior to a Demand, except in the case of the Borrower filing for bankruptcy protection. Should the Loan become sixty (60) days delinquent for payment or otherwise seriously in default, Lender shall develop a liquidation strategy and plan that includes at a minimum an enumeration of the collateral in sufficient detail to identify and value the collateral assets and access the remedies available under the Uniform Commercial Code. A liquidation plan of action shall be submitted to Corporation for its review at the time the Lender accelerates the Loan and demands payment in full from the Borrower.

Collateral

XII. Corporation relies, as a pre-condition for issuance of the Guarantee, on the secured and perfected security interests in the Collateral. Failure by Lender to protect the perfected security interests in the Collateral reduces the value of the Collateral. In the event of any demand by Lender upon the Guarantee (a "Demand"), Corporation shall have the right to reduce its liability under the Guarantee by the amount the Collateral is reduced in value. Corporation is not entitled to reduce its Guarantee liability unless and until Corporation can demonstrate that the value of the Collateral was diminished because of Lender's failure to take all actions necessary to protect the Collateral. Lender further agrees to immediately inform Corporation of any activities which may diminish the value of the Collateral.

As used in this Loan Guarantee (this "Guarantee"), the term "Loan" means the Term Loan or Line of Credit as evidenced by a promissory note and credit agreement between Borrower and Lender dated **Select Date** for **\$Principal Amount (Principal Amount Spelled-Out)** with the following rate and terms:

Repayment Terms: Payment beginning **Select Date**, with a payment plan as follows **Click here to enter text.** of approximately **\$Principal Amount (Principal Amount Spelled-Out)**. Loan maturity is set for **Select Maturity Date**.

If this is a Collection Guarantee, the Corporation's obligations under this Collection Guarantee are subject to IBank's SBFC Directives and Requirements. Furthermore, the Corporation shall not be liable or obligated in any way beyond the available funds in the Program trust fund account, as defined in Section 14010 (n) of the California Corporations Code, at the time of Lender's Demand (as defined in IBank's SBFC Directives and Requirements).

- b. Lender has not engaged, and will not engage, in fraudulent or negligent practices in connection with the Borrower, this Guarantee, the Loan or the loan agreement.

Corporation's obligation to honor this Guarantee is conditioned upon the following:

1. Borrower is in Default as defined in the Default Loan Procedures attached hereto and incorporated herein by reference.
2. Lender's compliance with and performance of the Default Loan Procedures prior to demand for repayment.
3. Lender's compliance with and performance of the terms of the Commitment Letter attached hereto and incorporated herein by reference.
4. Diligent pursuit by Lender of Lender's remedies in the event of bankruptcy or other creditor rights proceedings prior to making demand on this Guarantee.

This Guarantee is effective upon execution of a loan to the Borrower and the signature of both parties to this Guarantee, the Commitment Letter, and Default Loan Procedures, and shall remain in effect until the Loan is paid in full or until **Select Date**, whichever occurs first but no longer than seven years from the date of the promissory note.

Lender shall not, without the prior written consent of IBank, renew, compromise, extend, accelerate or otherwise change the time for payment or the terms of Borrower's indebtedness, except in the case of a Default. In the case of Default, Lender shall make no agreement with the Borrower, except repayment of all past due amounts, or repayment of the entire Loan, without the prior written consent of IBank.

In the event that Lender makes a Demand on this Guarantee, Lender must assign all rights and remedies to Corporation in exchange for Corporation's payment on the defaulted Loan. "Rights and remedies" as used herein include the promissory note, Loan agreement, and all security agreements and other documents and security held by Lender in connection with the defaulted Loan.

The collateral listed in the Commitment Letter concerning this Loan shall be used to secure the entire Loan, with equal lien priority for the guaranteed and unguaranteed portions of the Loan. The unguaranteed portion of the Loan will not be paid first or given any preference or priority over the guaranteed portion.

Any payment on the indebtedness guaranteed to Lender by Corporation shall reduce, by the amount of such payment, Corporation's liability hereunder.

If the Borrower fails to pay, when due, all or any part of the Loan guaranteed by Corporation, Lender shall follow the Default Loan Procedures. A balloon payment does not constitute a default and, therefore, will not activate this Guarantee.

the Borrower short of filing suit to obtain payment in whole or in part. In any demand by Lender upon this Guarantee, Corporation shall have the right to reduce its liability under this Guarantee by the amount the Collateral (as defined in the SBFC Directives and Requirements) is reduced in value. Corporation is not entitled to reduce the Guarantee liability unless and until Corporation can demonstrate that the value of the Collateral was diminished because of Lender's failure to comply with the collateral requirements specified in the Commitment Letter.

Corporation shall be paid fees totaling **\$Total Fee Amount (Total Fee Amount Spelled-Out)** consisting of a **\$Guarantee Fee Amount (Guarantee Fee Amount Spelled-Out)** guarantee fee which represents **2.5%** of the guaranteed portion of the Loan and a **\$250** (Two Hundred and Fifty and No/100 Dollars) loan documentation fee. Lender agrees to pay these fees at the time the Loan documents are signed, and forward the fees to Corporation immediately.

Any controversy or claim arising out of or relating to this Guarantee, or any agreements or instruments relating to or delivered in connection with this Guarantee, including any claim based on or arising from an alleged tort, shall be determined by binding and mandatory arbitration. The arbitration shall be conducted in accordance with the United States Arbitration Act (Title 9, U.S. Code) under the Commercial Rules or the American Arbitration Association ("AAA"). The arbitrator(s) shall give effect to statutes of limitation in determining any claim. Any controversy concerning whether an issue is arbitral shall be conclusively determined by the arbitrator(s). Judgment upon the arbitration award shall be entered in any competent court; which court would have had jurisdiction if the claim was not subject to binding arbitration. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of binding arbitration and mandatory arbitration if any other party contests such action for judicial relief.

In any judicial action or proceeding arising out of or relating to this Guarantee or any agreements or instruments relating to this Guarantee or any agreements or instruments relating hereto or delivered in connection herewith, including but not limited to a tort claim, if the controversy or claim is not submitted to arbitration as provided and limited in the paragraph above, either party may elect to have all decisions of fact and law be determined by a reference in accordance with California Code of Civil Procedure Section 638 et seq. If such an election is made, the parties shall designate to the court a referee or referees selected under the auspices of the American Arbitration Association in the same manner as arbitrators are selected in Association-sponsored proceedings. The presiding referee of the panel, or the referee if there is a single referee, shall be an active attorney or retired judge. Judgment upon the award rendered by such referee or referees shall be entered in the court in which such proceeding was commenced in accordance with California Code of Civil Procedure Sections 644 and 645.

§ 5000 Definitions

The following Directives and Requirements are adopted as of August 26, 2020 pursuant to the Small Business Financial Assistance Act of 2013 (California Government Code 63088, and California Corporations Code Sections 14000 and following) (Law) to amend and restate the Directives and Requirements adopted by the California Infrastructure and Economic Development Bank (IBank) Board of Directors (IBank Board) on October 24, 2017. (c) In the event that a Guarantee is issued to a Lender without first complying with the requirements of subsection (a), and the Lender relies upon the Guarantee in making the Loan, the failure by the Corporation to so comply shall not constitute a defense on the part of either IBank or the Corporation to paying a Demand for payment made pursuant to Section 5003.

(d) In any case where funds are disbursed to a Lender pursuant to a Demand and the Corporation has failed to comply with subsection (a), IBank may immediately exercise all available legal remedies to recover from the Corporation the funds disbursed pursuant to the Demand.

(14) The owner(s) of the business receiving a Loan guaranteed under the SBLGP, a direct loan, or a bond guarantee, shall have at least \$1.00 of equity interest in the business at the time of the Loan. (2) Whether all Collateral for the Loan and Guarantee have been perfected and maintained.

(3) Whether all Collateral is available for assignment to the Corporation in the event that payment is made upon the Demand.

(1) Deliver or cause to be delivered to the Corporation a check in an amount not to exceed the amount contained in the Demand Letter, made payable to the Lender; or

(2) Deliver or cause to be delivered to the Corporation a denial of the request for payment to the Corporation based upon noncompliance with the requirements of applicable law, regulations, rules or guidelines, these Directives and Requirements or fraud or negligence on the part of the Lender.

(3) Deliver or cause to be delivered to the Corporation a statement that the investigation or report was incomplete, and requiring the Corporation to complete the investigation and report and resubmit the request for payment to IBank within ten (10) business days from the date the statement is received by the Corporation.

(f) The amount paid to the Lender pursuant to a Demand Letter shall be less than the amount contained in the Demand Letter only under the following circumstances:

The assignment shall include the Loan Note and all Collateral, except as provided in Section 5004.

(h) The Guarantee shall include a provision for binding arbitration in the event that either the Corporation or IBank denies the requested Demand pursuant to subsections (d)(2) or (e)(2), or the amount paid to the Lender is less than the amount contained in the Demand Letter.

(i) Demand must be made upon the Corporation no later than noon on the ninetieth calendar day following the date on which the Guarantee terminates; provided, however, that if the ninetieth day is not a day upon which the Corporation is open for business, the last day for making a Demand shall occur on the next succeeding day upon which the Corporation is open for business.

§ 5004 Guarantee Collection Requirements for Collection Guarantees

(a) A Lender shall not be authorized to file a Demand for a Collection Guarantee unless it has complied with this Section. The requirements contained in this Section are in addition to the requirements contained in Section 5003.

(3) demonstrated that the Borrower has filed for bankruptcy.

§ 5005 Corporation Requirements

The following Directives and Requirements are in addition to Corporation requirements of Corporations Code Section 14000 et seq., and the Small Business Financial Assistance Act of 2013:

A Corporation is to maintain a default rate of less than 5% of all of its outstanding guarantees.

A Corporation must enroll at least one federally supported guarantee, or in the absence of federal funds under the program, one state fund supported guarantee per fiscal year.

Use of the principal on the funds shall be governed by the same use of funds in Government Code Section 63089.5(b). Since it is the intent to pool the trust fund, it is unlikely a Corporation's trust fund would reside in the expansion fund. If this were to occur, the fund would be used for previously established purposes.

(d) Corporations shall adhere to the State Small Business Credit Initiative (SSBCI) rules and guidance when supporting a guarantee with SSBCI federal funds. The rules and guidance include, but are not limited to the following resources; the Small Business Jobs Act of 2010, the SSBCI Allocation Agreement for Participating States dated February 17, 2011 between the United States Department of the Treasury and the State of California, as amended from time to time, SSBCI Policy Guidance, National Standards for Compliance and Oversight, the SSBCI F.A.Q's, and the FDC Policy Manual.

(4) In any case where funds are disbursed to a Surety pursuant to a Claim and the Corporation has failed to comply with subsections (b)(1) and/or (c), IBank may immediately exercise all available legal remedies to recover from the Corporation the funds disbursed pursuant to the Claim.

(b) The Guarantee shall expire two hundred and ten days (210) following final payment by the party requiring the Bond (Obligee) of all amounts owed to Principal pursuant to the contract bonded, so long as no notice of claims has been received by Surety and is pending as of that expiration date. (g) If any suit is filed against Surety upon the Bond, Surety shall immediately inform Corporation of receipt of notice thereof and shall take charge of all suits or claims arising under the Bond and compromise, settle or defend such suit or claim. Surety shall take all steps necessary to mitigate the Loss resulting from Principal's default. Surety shall not join Corporation in any lawsuit to which Surety is a party unless Corporation has denied a Claim.

(h) Liability of the Corporation under the Guarantee shall be reduced if the Guarantee requires Surety to take Collateral, and Surety fails to obtain and perfect the Collateral. In the event that the Surety fails to take or perfect Collateral required by the terms of the Guarantee, the liability of the Corporation pursuant to the Guarantee shall be reduced by the Guarantee percentage of the amount which could reasonably have been recovered by liquidating the Collateral.

(4) The Bond Line shall specify the maximum Guarantee authority, which shall not exceed \$500,000. The combined Guarantee liability of all Bonds outstanding for a specific Principal shall not exceed \$1,000,000. A Principal with a Bond Line shall obtain a Guarantee under the Line by sending a copy of the Bond to the Corporation, which shall sign and attach to the Bond a statement that the Bond is guaranteed by the Corporation pursuant to the terms of the Bond Line. This statement shall be signed so long as the Principal and Bond comply with the terms of the Bond Line.

(5) It shall be the responsibility of the Surety to notify the Corporation when a Guarantee under a Bond Line has expired.

§ 5009 SURETY BOND PROCEDURES

Subrogation efforts shall be discontinued by Surety only after providing Corporation with written documentation substantiating insolvency or the inability to pay on the part of Principal or others who agreed to indemnify the Surety, unless otherwise mutually agreed by the Surety and Corporation. In the event of discontinuation of subrogation efforts by Surety, the Surety will assign all of its right, title and interest to recovery to the Corporation.

(c) In the event that an ILOC is issued to a Surety without first complying with the requirements of subsection (a) and/or (e), and the Surety relies upon the ILOC in issuing the Bond, the failure by the Corporation to so comply shall not constitute a defense on the part of either IBank or the Corporation to paying a Demand.

The ILOC shall expire only if no notice of Claim is pending with the Surety. If the Bond is for other than a public works project, then the Corporation and Surety shall include in the ILOC what events and timing trigger expiration of the Guarantee.

Interest on the funds moved from a corporation's trust fund account upon temporary withdrawal shall be limited to payment of the corporation's administrative expenses, as contained in the contract between the corporation and the bank pursuant to this chapter.

(p) Following a final determination of termination of all activities of an active corporation, in order to continue its existence as a nonprofit corporation pursuant to the Nonprofit Public Benefit Corporation Law (Part 2 (commencing with Section 5110) of Division 2 of Title 1 of the Corporations Code), the corporation must amend its articles of incorporation in accordance with

Chapter 8 of Part 2 of Division 2 of the Corporations Code to remove the provisions required by Section 14005 of the Corporations Code, including an amendment to remove the words “small business financial development corporation,” “small business development corporation,” or “rural or urban development corporation,” as applicable, from the corporate name and shall no longer be registered with the Secretary of State as a small business financial development corporation. A corporation shall not enjoy any of the benefits of a small business financial development corporation following suspension.

- (a) Approve new corporations recommended by the program manager.
- (b) Enter into contracts with corporations for program management and other financial product-related services.
- (c) Select a financial institution or financial company to act as trustee of the trust fund as specified in this chapter.
- (d) Invest expansion fund and trust fund moneys as specified in this chapter.

ARTICLE 5. Expansion Fund and Trust Fund [63089.5 - 63089.62]

63089.5. (a) There is hereby continued in existence in the State Treasury the California Small Business Expansion Fund. All or a portion of the funds in the expansion fund may be paid out, with the approval of the Department of Finance, to a financial institution or financial company that will establish a trust fund and act as trustee of the funds.

(b) The expansion fund and the trust fund shall be used for the following purposes:

(1) To pay defaulted loan guarantee or surety bond losses, or other financial product defaults or losses.

(2) To fund direct loans and other debt instruments.

(3) To pay administrative costs of corporations.

(4) To pay state support and administrative costs.

(5) To pay those costs necessary to protect a real property interest in a financial product default.

(c) The expansion fund and trust fund are created solely for the purpose of receiving state, federal, or local government moneys, and other public or private moneys to make loans, guarantees, and other financial products that the California Small Business Finance Center or a financial development corporation is authorized to provide. The program manager shall provide written notice to the Joint Legislative Budget Committee and to the Chief Clerk of the Assembly and the Secretary of the Senate who shall provide a copy of the notice to the relevant policy committees within 10 days of any nonstate funds being deposited in the expansion fund. The notice shall include the source, purpose, timeliness, and other relevant information as determined by the bank board.

(d) (1) One or more accounts in the expansion fund and the trust fund may be created by the program manager for corporations participating in one or more programs authorized under this chapter and Section 8684.2. Each account is a legally separate account, and shall not be used to satisfy loan guarantees or other financial product obligations of another corporation except when the expansion fund or trust fund is shared by multiple corporations.

(2) The program manager may create one or more holding accounts in the expansion fund or the trust fund, or in both, to accommodate the temporary or permanent transfers of funds pursuant to Section 63089.3.

(e) The amount of guarantee liability outstanding at any one time shall not exceed 10 times the amount of funds on deposit in the expansion fund plus any receivables due from funds loaned from the expansion fund to another fund in state government as directed by the Department of Finance pursuant to a statute enacted by the Legislature, including each of the trust fund accounts within the trust fund.

63089.51. (a) All money deposited in the expansion fund is hereby continuously appropriated, without regard to fiscal years, for the purposes of this chapter.
(b) Except as specified in subdivision (b) of Section 63089.54, the state or the bank shall not be liable or obligated in any way beyond the state money that is allocated in the expansion fund from moneys from the General Fund appropriated for those purposes.

63089.52. (a) The program manager, at his or her discretion, with the approval of the executive director, may request the trustee to invest those moneys in the trust fund in any of the securities described in Section 16430. Returns from these investments shall be deposited in the expansion fund and shall be used to support the programs of this chapter.
(b) Any investments made in securities described in Section 16430 shall be governed by the investment policy approved by the bank board.

63089.53. Except as specified in subdivision (b) of Section 63089.54, the state or the bank shall not be liable or obligated in any way beyond the money that is allocated and deposited in the trust fund accounts.

63089.54. (a) There is hereby created in the State Treasury the Small Business Disaster Recovery Loan Loss Reserve Account, as part of the expansion fund. This account shall be used to pay for losses resulting from loan guarantees issued pursuant to subdivision (a) of Section 63089.90 or subdivision (b) of this section, and disaster loan guarantees and other credit enhancement defaults issued prior to the effective date of this section that are in default.
(b) Any lending institution that issues a loan that is guaranteed by resources in this account shall be fully reimbursed for the guaranteed portion of principal and interest that result from a loan or loans that are in default. If there are insufficient funds in this account to fully satisfy all claimants, the full faith of the resources in the General Fund are pledged to satisfy the obligations of this account. This account may only guarantee as much loan dollar value as is specifically authorized by the Director of Finance with the concurrence of the Governor. This account shall receive all moneys transferred pursuant to Section 63089.55, and any unencumbered balances transferred to the California Small Business Expansion Fund pursuant to Chapters 11 and 12 of the First Extraordinary Session of the Statutes of 1989, and Chapter 1525 of the Statutes of 1990, as of July 1, 1992.
(c) The Governor may utilize this authority to prevent business insolvencies and loss of employment in an area affected by a state of emergency within the state and declared a disaster by the President of the United States, by the Administrator of the United States Small Business Administration, or by the United States Secretary of Agriculture, or declared to be in a state of emergency by the Governor of California.

63089.55. The Director of Finance, with the approval of the Governor, may transfer moneys in the Special Fund for Economic Uncertainties to the California Small Business Expansion Fund for use as authorized by the bank board, in an amount necessary to make loan guarantees pursuant to Section 8684.2 and this chapter.

63089.56. (a) The funds in the expansion fund shall be paid out to trust fund accounts by the Treasurer on funds drawn by the Controller and requisitioned by the program manager, pursuant to the purposes of this chapter. The program manager may transfer funds allocated from the expansion fund to accounts, established solely to receive the funds, in financial institutions or financial companies designated by the bank to act as trustee. The financial institutions or financial companies so designated shall be approved by the state for the receipt of state deposits. Interest earned on the trust fund accounts in financial institutions or financial companies may be utilized by the corporations or the bank pursuant to the purposes of this chapter.
(b) The program manager may reallocate funds held within a corporation's trust fund account.
(1) The program manager may reallocate funds based on which corporation is most effectively using its guarantee funds. If funds are withdrawn from a less effective corporation as part of a reallocation, the program manager shall make that withdrawal only after giving consideration to that corporation's fiscal solvency, its ability to honor loan guarantee defaults, and its ability to

maintain a viable presence within the region it serves. Reallocation of funds shall occur no more frequently than once per fiscal year. Any decision made by the program manager pursuant to this subdivision may be appealed to the executive director unless otherwise specified. The executive director has the authority to repeal or modify any decision to reallocate funds.

(2) The program manager may authorize a corporation to exceed the leverage ratio specified in Section 63089.5 or subdivision (a) of Section 63089.62, pending the annual reallocation of funds pursuant to this section. However, no corporation shall be permitted to exceed an outstanding guarantee liability of more than specified in subdivision (a) of Section 63089.62 after a reallocation is made.

(c) Except as specified in subdivision (e), the program manager shall allocate and transfer money to trust fund accounts based on performance-based criteria. The criteria shall include, but not be limited to, the following:

(1) The default record of the corporation.

(2) The number and amount of loans guaranteed by a corporation.

(3) The number and amount of loans made by a corporation if state funds were used to make those loans.

(4) The number and amount of surety bonds guaranteed by a corporation.

(5) The number and amount of other financial product activity.

(6) The number of jobs created or retained due to the financial product activity.

(d) The criteria specified in subdivision (c) shall not apply to a corporation that has been in existence for five years or less. If not already adopted, the bank board shall develop directives and requirements specifying the basis for transferring account funds to those corporations that have been in existence for five years or less.

(e) Any decision made by the program manager pursuant to this section may be appealed to the executive director within 15 days of notice of the proposed action. The executive director may repeal or modify any reallocation and transfer decisions made by the program manager. The appealing corporation shall submit, in writing, the specific area or areas of appeal and set forth any recommendation to the executive director for consideration. The executive director shall render a final decision within five business days of receiving the written appeal.

(f) Any decision made by the executive director shall be appealable in writing to the bank board within 15 days of the executive director's decision, or such longer period as agreed to between the executive director and the corporation. The bank board shall make a final reallocation or transfer decision within 30 days of receiving the appeal, or such longer period agreed to between the executive director and the corporation.

(g) In the event of an appeal under this section, all allocations or transfers of money to trust fund accounts shall be on hold pending resolution by the executive director or bank board, as applicable.

63089.57. Pursuant to this chapter and any directives and requirements adopted pursuant to this chapter, the state has residual interest in the funds deposited by the state to a trust fund account and to the return on these funds from investments. On dissolution, suspension, or termination of the corporation, these funds shall be withdrawn by the program manager from the trust fund account and returned to the expansion fund or temporarily transferred to another trust fund account. This provision shall be contained in the trust instructions to the trustee.

63089.58. Each trust fund account shall consist of a loan guarantee account, and, upon recommendation by the program manager, a bond guarantee account or other financial product account, each of which is a legally separate account, and the assets of one account shall not be used to satisfy loan guarantees or other financial product obligations of another corporation, except when a trust fund account is designated by the program manager to be shared by multiple corporations. The amount of funds allocated to a bond guarantee account shall be pursuant to the directives and requirements. A corporation shall not use trust fund accounts to secure a corporate indebtedness. State funds deposited in the trust fund accounts, with the exception of guarantees established pursuant to this chapter, shall not be subject to liens or encumbrances of the corporation or its creditors.

63089.59. (a) The financial institution or financial company that is to act as trustee of the trust fund shall be designated by the bank. The corporation shall not receive money on deposit to support guarantees or other financial products issued under this chapter without the approval of the program manager.

(b) State funds may not be used to finance an expense incurred by a corporation in a location not approved pursuant to the contract between the bank and the corporation. The prohibition against use of state funds also applies to the location of satellite offices, and the area served from a corporation office.

(c) Except as otherwise provided in this chapter, the trust fund account shall be used solely to make loans, guarantee bonds and loans, and provide other financial products approved by the corporation that meet the financial product criteria of the directives and requirements. Except as provided in subdivision (b) of Section 63089.54, the state or the bank shall not be liable or obligated in any way as a result of the allocation of state moneys to a trust fund account beyond the state moneys that are allocated and deposited in the fund pursuant to this chapter, and that are not otherwise withdrawn by the state pursuant to this chapter.

63089.60. (a) The program manager shall recommend whether the expansion fund and trust fund accounts are to be leveraged, and if so, by how much. Upon the request of the corporation, the program manager's decision may be repealed or modified by the executive director or the bank board.

(b) The amount of guarantee liability outstanding at any one time shall not exceed 10 times the amount of funds on deposit in the expansion fund plus any receivables due from funds loaned from the expansion fund to another fund in state government as directed by the Department of Finance pursuant to a statute enacted by the Legislature, including each of the trust fund accounts within the trust fund.

63089.61. (a) The corporate guarantee shall be backed by funds on deposit in the corporation's trust fund account, or by receivables due from funds loaned from the corporation's trust fund account to another fund in state government, as directed by the Department of Finance pursuant to a statute enacted by the Legislature.

(b) Loan guarantees shall be secured by a reserve of at least 10 percent to be determined by the program manager unless a higher leverage ratio for an individual corporation has been approved pursuant to subdivision (b) of Section 63089.56.

(c) The expansion fund and trust fund accounts shall be used to guarantee obligations and other financial product obligations, to pay the administrative costs of the corporations, and for other uses pursuant to this chapter and Section 8684.2.

63089.62. (a) It is the intent of the Legislature that the corporations make maximum use of their statutory authority to guarantee loans and surety bonds, and administer other financial products, including the authority to secure loans with a minimum loan loss reserve of only 10 percent, unless the program manager authorizes a higher leverage ratio for an individual corporation pursuant to subdivision (b) of Section 63089.56, so that the financing needs of small business may be met as fully as possible within the limits of corporations' trust fund account balance.

(b) Any corporation that serves an area declared to be in a state of emergency by the Governor or a disaster area by the President of the United States, the Administrator of the United States Small Business Administration, or the United States Secretary of Agriculture shall increase the portfolio of loan guarantees where the dollar amount of the loan is less than one hundred thousand dollars (\$100,000), so that at least 15 percent of the dollar value of loans guaranteed by the corporation is for those loans. The corporation shall comply with this requirement within one year of the date the emergency or disaster is declared. Upon application of a corporation, the executive director may waive or modify the rule for the corporation if the corporation demonstrates that it made a good faith effort to comply and failed to locate lending institutions in the region that the corporation serves that are willing to make guaranteed loans in that amount.

ARTICLE 6. Corporations, Miscellaneous [63089.65 - 63089.67]

63089.65. (a) A corporation shall establish one or more loan committees, each of which shall be composed of five or more persons, a majority of whom shall be experienced in banking and lending operations.

(b) A loan committee shall review applications to the corporation for a loan or guarantee and shall do each of the following:

(1) Determine the feasibility of the proposed transaction. The loan committee shall recommend approval of the application only upon a determination that there is a reasonable chance that the loan will be repaid.

(2) On the basis of that determination, recommend to the board of directors any action that the loan committee deems appropriate under the circumstances, or, in the event that approval authority has been delegated to the loan committee by the board of directors, approve or disapprove the loan application.

(c) A loan committee shall expeditiously act to accept or reject loan applications.

(d) A person who has a financial interest related to a matter over which the loan committee has authority may not make, participate in making, or in any way attempt to influence that matter.

63089.66. Unless delegated to its loan committee, the corporation's board of directors, upon a recommendation from its loan committee, shall do all of the following:

(a) Emphasize consideration to applications that will increase employment of disadvantaged, disabled, or unemployed persons, or increase employment of youth residing in areas of high youth unemployment and high youth delinquency.

(b) Give consideration to applications from traditional and safety-net providers of Medi-Cal services that will promote access to quality medical care for individuals enrolled in Medi-Cal managed health care networks that are contracting with or owned or operated by a county board of supervisors, a county health commission, or a county health authority organized pursuant to Section 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, or 14087.9605 of the Welfare and Institutions Code.

63089.67. A corporation may charge the borrower or financial institution a loan fee or credit enhancement fee on all loans made or guaranteed by the corporation to defray the operating expenses of the corporation. The amount of the fee shall be determined by the directives and requirements.

ARTICLE 7. Loan Guarantees [63089.70 - 63089.71]

63089.70. (a) The Small Business Expansion Fund, which is hereby continued in existence, shall, among other things, provide guarantees to loans offered by financial institutions and financial companies to small businesses.

(b) The Legislature finds and declares that the Small Business Loan Guarantee Program has enabled participating small businesses that do not qualify for conventional business loans or Small Business Administration loans to secure funds to expand their businesses. These small businesses would not have been able to expand their businesses in the absence of the program. The program has also provided valuable technical assistance to small businesses to ensure growth and stability. The study commissioned by former Section 14069.6 of the Corporations Code, as added by Chapter 919 of the Statutes of 1997, documented the return on investment of the program and the need for its services. The value of the program has also been recognized by the Governor through proposals contained in the May Revision to the Budget Act of 2000 for the 2000–01 fiscal year.

(c) A corporation shall not issue a guarantee under this section unless it determines that the following conditions are satisfied:

(1) There is a low probability that the loan being guaranteed would be granted by a financial company or financial institution under reasonable terms and conditions and the borrower has demonstrated a reasonable prospect of repayment.

(2) The loan proceeds will be used exclusively in this state.

- (3) The loan qualifies as a small business loan or an employment incentive loan.
- (4) The borrower has a minimum equity interest in the business as determined by the directives and requirements.
- (5) As a result of the loan being guaranteed, the jobs generated or retained demonstrate reasonable conformance to any directives and requirements specifying employment criteria.

63089.71. (a) Among other priorities, corporations shall give high priority to the issuance of loan guarantees to small business incubators and to businesses that lease space in incubators.

(b) For the purposes of this section, "incubator" means a facility that allows new small businesses to increase their probability of success by sharing needed capital equipment, services, and facilities, which may include, but are not limited to, the following:

- (1) Reception and meeting area.
 - (2) Secretarial services, such as collating, telephone answering, or mailhandling.
 - (3) Accounting and bookkeeping services.
 - (4) Research libraries.
 - (5) Onsite financial and management counseling.
 - (6) Parking.
 - (7) Flexible lease arrangements for flexible space.
 - (8) Computer or word processing facilities.
 - (9) Day care facilities.
 - (10) Office furniture rentals.
 - (11) A graduation policy sometimes requiring firms to leave after three to five years in a subsidized, nurturing environment.
 - (12) Employee training and placement services.
- (c) Among other priorities, corporations shall give high priority to marketing their services to Phase 1 or Phase 2 Small Business Innovation Research (SBIR) recipients and providing loan guarantees, whenever possible.

ARTICLE 8. Direct Lending and Other Debt Instruments [63089.80- 63089.80.]

63089.80. (a) A corporation may utilize funds for direct lending or other debt instruments pursuant to the directives and requirements.

(b) The amount of funds available for direct lending and other debt instruments shall be determined by the directives and requirements. In its capacity as a direct lender, the corporation may sell in the secondary market the guaranteed portion of each loan, if guaranteed, so as to raise additional funds for direct lending.

(c) To execute the direct loan and other debt instruments authorized pursuant to this chapter, including, but not limited to, those authorized pursuant to Section 63088.5, the bank may loan trust funds to a corporation for the express purpose of lending those funds to an identified borrower. The loan authorized by the bank to the corporation shall be on terms similar to the loan between the corporation and the borrower.

(d) The amount of the loan, made to the corporation by the bank, may be in excess of the amount of a loan to any individual borrower, but actual disbursements pursuant to the bank loan agreement shall be required to be supported by a loan agreement between the borrower and the corporation in an amount at least equal to the requested disbursement. The loan between the bank and the corporation shall be evidenced by a credit agreement. In the event that any loan between the corporation and borrower is not guaranteed by a governmental agency, the portion of the credit agreement attributable to that loan shall be secured by assignment of any note, executed in favor of the corporation by the borrower to the bank. The terms and conditions of the credit agreement shall be similar to the loan agreement between the corporation and the borrower, which shall be collateralized by the note between the corporation and the borrower.

(e) In the absence of fraud on the part of the corporation, the liability of the corporation to repay the loan to the bank is limited to the repayment received by the corporation from the borrower, except in a case where the United States Department of Agriculture requires exposure by the corporation in rule or regulation. The corporation may use trust funds for loan repayment to the bank if the corporation has exhausted a loan loss reserve created for this purpose. Interest and principal

received by the bank from the corporation shall be deposited into the same account from which the funds were originally borrowed.

(f) Upon the approval of the program manager, a corporation shall be authorized to borrow trust funds from the bank for the purpose of relending those funds to small businesses. A corporation shall demonstrate to the program manager that it has the capacity to administer a direct loan program, and has procedures in place to limit the default rate for loans to startup businesses. The percentage of any trust fund account to be used for the direct lending pursuant to this subdivision shall be established in the directives and requirements.

(g) A corporation shall not issue a direct loan or other debt instrument unless and until it determines that all of the following conditions are satisfied:

(1) The direct loan or other debt instrument assistance would not be granted by a financial company or financial institution under reasonable terms and conditions and the borrower has demonstrated a reasonable prospect of repayment.

(2) The direct loan or debt instrument proceeds will be used exclusively in this state.

(3) The direct loan or debt instrument qualifies as a small business loan or employment incentive loan.

(4) The borrower has a minimum equity interest in the business as determined by the directives and requirements.

(5) As a result of the direct loan or other debt instrument, the jobs generated or retained demonstrate reasonable conformance to any directives and requirements specifying employment criteria.

(h) The maximum direct loan or other debt instrument amount to a small business shall be set by the directives and requirements. In the absence of fraud on the part of the corporation, the repayment obligation pursuant to the loan or other debt instrument to the corporation shall be limited to the amount of funds received by the corporation for the direct loan or other debt instrument to the small business and any other funds received from the bank that are not disbursed. The corporation shall be authorized to charge a fee to the small business borrower, in an amount determined pursuant to the directives and requirements. The programs and debt instruments provided for in this article shall be available in all geographic areas of the state.

ARTICLE 9. Disaster Loan Guarantees [63089.90- 63089.90.]

63089.90. (a) Pursuant to Section 8684.2 and the contract between a corporation and the bank, a corporation may, in an area affected by a state of emergency within the state and declared a disaster by the President of the United States, the Administrator of the United States Small Business Administration, or the United States Secretary of Agriculture, or declared to be in a state of emergency by the Governor of California, provide loan guarantees from funds allocated in Section 63089.55 to small businesses, small farms, nurseries, and agriculture-related enterprises that have suffered actual physical damage or significant economic injury as a result of the disaster.

(b) The bank board may adopt directives and requirements to implement the disaster loan guarantee program authorized by this section. Any regulations adopted under Chapter 1 (commencing with Section 14000) of Part 5 of Division 3 of Title 1 of the Corporations Code shall remain in effect until the bank adopts directives and requirements, however, these regulations shall have no effect after June 1, 2015.

(c) A corporation shall not issue a disaster loan guarantee unless and until it determines that the following conditions are satisfied:

(1) The borrower cannot reasonably obtain a disaster loan without some form of credit enhancement.

(2) The borrower has demonstrated a reasonable prospect of repayment.

(3) The guaranteed loan will be used exclusively in this state.

(4) The disaster loan qualifies as a small business loan or employment incentive loan.

(d) Allocations pursuant to subdivision (a) shall be deemed to be for extraordinary emergency or disaster response operations costs incurred by the issuance of disaster loan guarantees.

ARTICLE 10. Surety Bond Guarantees [63089.95 - 63089.96]

63089.95. In furtherance of the purposes set forth in Section 63088.1 of this code and Section 14001 of the Corporations Code, a corporation may do any one or more of the following activities, but only to the extent that the activities are authorized pursuant to the contract between the bank and corporation: guarantee, endorse, or act as surety on the bonds, notes, contracts, or other obligations of, or assist financially, any person, firm, corporation, or association, and may establish and regulate the terms and conditions with respect to any such guarantees or financial assistance and the charges for interest and service connected therewith, except that the corporation shall not make or guarantee any loan, unless and until it determines:

- (a) There is a low probability that the surety bond would be granted by a financial institution or financial company under reasonable terms or conditions, and the beneficiary has demonstrated a reasonable prospect of successful completion of the project.
- (b) The surety bond project coverage will be used exclusively in this state.
- (c) The beneficiary has a minimum equity interest in the business as determined by the directives and requirements.
- (d) As a result of the surety bond, the jobs generated or retained demonstrate reasonable conformance to the directives and requirements specifying employment criteria.

63089.96. (a) In addition to the authority granted by Section 63089.95, pursuant to the directives and requirements a corporation may act as guarantor on a surety bond for any small business contractor, including, but not limited to, women, minority, and disabled veteran contractors.

(b) The provisions of subdivision (a) allowing a corporation to act as a guarantor on surety bonds may be funded through appropriate state or federal funding sources. Federal funds shall be deposited in the Federal Trust Fund in the State Treasury in accordance with Section 16360, for transfer to the expansion fund.

ARTICLE 11. Reporting [63089.97 - 63089.98]

63089.97. Each corporation shall provide to the program manager, in a format prescribed by him or her, the following data and reports:

- (a) A summary of all outstanding loans, bonds, and other credit enhancements to which a corporation guarantee, as authorized by this chapter, is attached, on a schedule determined by the program manager.
- (b) A summary of all outstanding direct loans and other debt instruments made by a corporation, as authorized by this chapter, on a schedule determined by the program manager.
- (c) A summary of all outstanding other financial project obligations made by a corporation, as authorized by this chapter, on a schedule determined by the program manager.
- (d) Statement of economic interests from each designated person pursuant to Section 87302.
- (e) No later than July 31 of each fiscal year, commencing January 1, 2014, each of the following documents:

- (f) No later than October 31 of each year commencing January 1, 2014, a copy of the corporation's prior fiscal year audit, auditor findings, if any, and finding responses.
- (g) A list by city and county of the number and dollar value of all credit enhancements and debt instruments the corporation entered into, pursuant to this chapter, during the report year, and that are outstanding at the close of the fiscal year.
- (h) Any other statistical and other data, reports, or other information required by the directives and requirements or the program manager.

63089.98. (a) Annually, not later than January 1 of each year commencing January 1, 2014, and notwithstanding Section 10231.5, the program manager shall prepare and submit to the Governor and the Legislature, pursuant to Section 9795, a report for the preceding fiscal year ending June 30, containing the expansion fund and trust fund financial product activity of each corporation, including all of the following:
