

U.S. Department of the Treasury
State Small Business Credit Initiative
Allocation Agreement

The American Rescue Plan Act of 2021 (ARPA) amended the Small Business Jobs Act of 2010, codified at 12 U.S.C. § 5701 et seq., to reauthorize and provide \$10 billion to fund the State Small Business Credit Initiative (SSBCI) as a response to the economic effects of the COVID-19 pandemic. SSBCI is a federal program administered by the U.S. Department of the Treasury (Treasury) that is intended to strengthen programs of eligible jurisdictions (states, the District of Columbia, territories, Tribal governments, and eligible municipalities) that support private financing to small businesses.

This Allocation Agreement establishes the terms and conditions for the undersigned participating jurisdiction (Participating Jurisdiction) to receive capital funds under the SSBCI.

Article I: Definitions

Section 1.1 Definitions.

Allocated Funds means all the federal funds that are awarded to the Participating Jurisdiction pursuant to 12 U.S.C. § 5702. Allocated Funds includes amounts under the Main Capital Allocation, SEDI Allocation, SEDI Incentive Allocation, and VSB Allocation. Initial eligible amounts under the SEDI Incentive Allocation are not considered Allocated Funds until Treasury determines that the Participating Jurisdiction has qualified for the funds under the standards set forth in the Capital Program Policy Guidelines.

Approved Application means the Participating Jurisdiction's SSBCI application for approval of a capital access program (CAP) under 12 U.S.C. § 5704 or other credit support program (OCSP) under 12 U.S.C. § 5705 that has been approved by Treasury, including any written information in connection therewith and any attachments, appendices, written supplements, or amendments thereto, submitted by the Participating Jurisdiction to Treasury.

Approved Program means each CAP or OCSP listed on Schedule A.

Capital Program Policy Guidelines means the SSBCI Capital Program Policy Guidelines, originally published on Treasury's SSBCI website on November 10, 2021, as it may be amended from time to time.

Contracted Entity means an entity that has a contractual arrangement (including through a memorandum of understanding or other agreement) with the Participating Jurisdiction or the Participating Jurisdiction's Implementing Entity for the implementation or administration of its capital program. This entity may be an authorized agent of the Participating Jurisdiction (including an entity or agency of the Participating Jurisdiction), or an entity selected and supervised by the Participating Jurisdiction (including an entity of another jurisdiction, a nonprofit third-party, or a for-profit third-party such as an investment fund or loan fund). The Contracted Entity may be the entity that operates the SSBCI program.

Disbursement means a transfer of Allocated Funds by Treasury to the Participating Jurisdiction under this Allocation Agreement.

Implementing Entity means the specific department, agency, or political subdivision of the Participating Jurisdiction that has been designated to accept the Allocated Funds on behalf of the participating jurisdiction. The term "agency" includes government corporations and other entities authorized or supervised by the Participating Jurisdiction. The Implementing Entity may be the entity that operates the SSBCI program.

Main Capital Allocation means the funds described in 12 U.S.C. § 5702(b).

Program Income means gross income received by the Participating Jurisdiction that is directly generated by an SSBCI-supported activity or earned as a result of SSBCI Funds during the SSBCI program period. Program Income includes, but is not limited to, income from: fees for services performed that were funded or supported with SSBCI Funds; interest earned on loans made using SSBCI Funds; interest on SSBCI Funds not invested or lent to a small business; and returns on SSBCI-supported equity investments. Program Income does not include Returned Funds.

Recycled Funds means funds that (1) come to the Participating Jurisdiction in the form of Program Income, returned program services costs, repayment of principal, or return of invested capital (i.e., funds that have been previously loaned or invested), and (2) are expended, transferred, or obligated by the Participating Jurisdiction on new loans, investments, or other credit equity support.

Returned Funds means repayment of principal or return of invested capital (i.e., funds that have been previously loaned or invested).

SEDI Allocation means the funds described in 12 U.S.C. § 5702(d).

SEDI Incentive Allocation means the funds described in 12 U.S.C. § 5702(e).

SSBCI Funds means the sum of Allocated Funds and Recycled Funds.

VSF Allocation means the funds described in 12 U.S.C. § 5702(f).

Section 1.2 Rules of Interpretation.

The terms defined in Section 1.1 of this Allocation Agreement shall include the singular and the plural, if applicable. The words “herein,” “hereof,” “hereto,” and words of similar import refer to this Allocation Agreement.

Article II: Allocation and Disbursements

Section 2.1 Allocation.

Subject to the terms and conditions hereof, Treasury will provide to the Participating Jurisdiction Allocated Funds in the aggregate amount not to exceed the sum of the amounts listed under “Potential Allocation” on Schedule A and any additional SEDI Incentive Allocation amounts allocated by Treasury to the Participating Jurisdiction.

Section 2.2 Disbursements of Allocated Funds via Electronic Funds Transfer.

Any Disbursements shall be made via electronic funds transfer by Treasury to the Participating Jurisdiction’s account designated in the Approved Application by the Participating Jurisdiction.

Section 2.3 Cash Depositories.

The Participating Jurisdiction shall deposit and maintain Disbursements in a U.S. Government-insured interest-bearing account whenever possible. The Participating Jurisdiction is not required to maintain a separate account for receiving and maintaining Disbursements. If the Participating Jurisdiction maintains a depository account in which Allocated Funds are commingled with other funds, the Participating Jurisdiction shall maintain on its books a separate subaccount for the Allocated Funds.

Section 2.4 Conditions Precedent for Disbursements.

As a precondition to the second and third tranche Disbursements of the Allocation listed in Schedule A, the

Participating Jurisdiction shall deliver to Treasury a certificate signed on behalf of the Participating Jurisdiction by an Authorized Representative in substantially the form attached hereto as Annex A, and any supporting documentation requested by Treasury.

Section 2.5 Authority to Withhold Disbursements Pending Audit.

Treasury may withhold any Disbursement pending the results of a financial audit. Treasury will notify the Participating Jurisdiction of its decision to withhold such Disbursement.

Section 2.6 Withholding or Suspending Disbursements.

Notwithstanding anything herein to the contrary, Treasury may, in its sole discretion, withhold or suspend any Disbursement if Treasury believes the Participating Jurisdiction may have failed to comply with any term or condition of this Allocation Agreement pending the final compliance determination by Treasury. Treasury will resume making Disbursements to the Participating Jurisdiction upon Treasury's determination that the Participating Jurisdiction is in compliance with all applicable requirements and has appropriately remedied any violation, unless Treasury exercises additional remedies under Article V.

Article III: Covenants and Agreements

Section 3.1 Compliance with Laws.

The Participating Jurisdiction shall, and shall cause any entities with which it designates or contracts to implement Approved Programs, including its Implementing Entity and Contracting Entities, to, comply with the SSBCI statute (12 U.S.C. § 5701 et seq.), as amended or replaced from time to time, and Treasury's SSBCI regulations, guidance, and other requirements, as in effect from time to time.

Section 3.3 Uses of SSBCI Funds, Returned Funds, and Program Income.

The Participating Jurisdiction shall only use SSBCI Funds, Returned Funds, and Program Income to carry out the Approved Programs. Without limiting the generality of the foregoing:

- a. The Recipient shall comply with the provisions of 31 U.S.C. § 1352, as amended, and with the regulations at 31 CFR Part 21.
- b. - c. The Participating Jurisdiction shall not use any SSBCI Funds, Returned Funds, or Program Income for loans, investments, and other credit or equity support to finance, in whole or in part, purposes prohibited by the SSBCI statute or Treasury's SSBCI regulations or guidance as in effect from time to time.

Section 3.4 Commencement of Performance.

- a. if there has been any material adverse change in the condition, financial or otherwise, or operations of the Participating Jurisdiction that may affect the Participating Jurisdiction's Approved Programs;
- b. if the Participating Jurisdiction believes that any representation, warranty, certification, assurance, or any other statement of fact contained in this Allocation Agreement, including the incorporated Approved Application, or any statement set forth in any document, report, certificate, financial statement or instrument now or hereafter delivered to Treasury in connection with this Allocation Agreement and the Approved Programs, was inaccurate, false, incomplete, or misleading when made, in any material respect;
- c. if the Participating Jurisdiction believes that it has materially failed to comply with any term or condition contained in this Allocation Agreement; and
- d. if there are facts, events, or circumstances, real or anticipated, that may materially affect the Participating Jurisdiction's ability to comply with the terms and conditions of this Allocation Agreement or to carry out the Approved Programs; in this event, the Participating Jurisdiction must describe actions taken or contemplated to be taken to address the issue.

Section 3.8 Publication of Approved Program Contact Information

The Participating Jurisdiction agrees that Treasury may publish any e-mail contact information provided from time to time by the Participating Jurisdiction for each Approved Program listed in Schedule A.

Article IV: Representations and Warranties

The Participating Jurisdiction represents and warrants as of the date hereof and as of the date of each Disbursement that:

Section 4.1 Authority of Authorized Representative.

The Authorized Representative has all requisite power and authority to execute and deliver this Allocation Agreement.

Section 4.2 Due Authorization of Participating Jurisdiction.

The execution and delivery by the Participating Jurisdiction hereof, the consummation by the Participating

Jurisdiction of all of the transactions contemplated hereby, and the performance by the Participating Jurisdiction of its obligations hereunder have been duly authorized by all necessary action on the part of the Participating Jurisdiction.

Section 4.3 Due Execution and Delivery; Binding Agreement.

This Allocation Agreement has been duly executed and delivered by the Participating Jurisdiction and constitutes a legal, valid, and binding obligation of the Participating Jurisdiction enforceable against the Participating Jurisdiction in accordance with its terms and conditions.

Section 4.4 No Conflicts.

The execution and delivery by the Participating Jurisdiction hereof, the consummation by the Participating Jurisdiction of the transactions contemplated hereby, and the performance by the Participating Jurisdiction of its obligations hereunder, do not and will not:

- a. conflict with or violate any existing law, regulation, or administrative or judicial decree or order; or
- b. conflict with, result in a breach of, or constitute a default under any existing agreement or other instrument to which the Participating Jurisdiction is subject or by which it is bound, other than any such conflict, breach, or default that could not reasonably affect the Participating Jurisdiction's performance of its obligations under this Allocation Agreement or its use of SSBCI Funds.

Section 4.5 Litigation.

There is no lawsuit or judicial or administrative action, proceeding, or investigation pending or threatened against the Participating Jurisdiction which is likely to have a material adverse effect on the ability of the Participating Jurisdiction to perform its obligations under this Allocation Agreement or the transactions contemplated hereby.

Section 4.6 Disclosure.

Neither this Allocation Agreement, nor the incorporated Approved Application, nor any other document or instrument delivered to Treasury by the Participating Jurisdiction related to this Allocation Agreement contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein or therein, in light of the circumstances under which they were made, not misleading. The Participating Jurisdiction has disclosed, in writing, to Treasury all facts that might reasonably be expected to result in a material adverse effect upon the Participating Jurisdiction's ability either to conduct its business or to carry out this Allocation Agreement and the transactions contemplated hereby. The Participating Jurisdiction has not knowingly and willfully made or used a document or writing containing any false, fictitious, or fraudulent statement or entry as part of its Approved Application or correspondence or communication with Treasury related to this Allocation Agreement.

Article V: Termination For Cause and Other Remedies

Section 5.1 General Events of Default.

Treasury, in its sole discretion, may find the Participating Jurisdiction to be in default in the event that either:

- a. Treasury determines that any representation, warranty, certification, assurance, or any other statement of fact contained in this Allocation Agreement, including the incorporated Approved Application, or any information or statement set forth in any document, report, certificate, financial statement or instrument now or hereafter delivered to Treasury in connection with this Allocation Agreement or the Approved Programs, is inaccurate, false, incomplete, or misleading when made, in any material respect; or
- b. Treasury determines that the Participating Jurisdiction has materially failed to comply with any term or condition under this Allocation Agreement, including, but not limited to, the Participating Jurisdiction's failure to submit complete and timely quarterly reports or annual reports; the Participating Jurisdiction's failure to expend the SSBCI Funds, Returned Funds, and Program Income

to carry out the Approved Programs; or the Participating Jurisdiction's failure expend the SEDI Allocation or VSB Allocation in the manner prescribed in Sections IV and V, respectively, of the Capital Program Policy Guidelines.

Section 5.2 Discretionary Remedies.

If Treasury determines that the Participating Jurisdiction is in default under Section 5.1 hereof, Treasury may, in its sole discretion, take any one or more of the following actions, subject to Section 5.5 hereof:

- a. withhold Disbursements pending the Participating Jurisdiction's correction of the default; or
- b. reduce, suspend, or terminate the commitment of Treasury to make Disbursements to the Participating Jurisdiction under this Allocation Agreement.

- b. the Participating Jurisdiction having intentionally made misstatements in any report issued to Treasury.

Section 5.4 Mandatory Remedies.

If Treasury determines that the Participating Jurisdiction is in default under Section 5.3 hereof, Treasury shall take the following actions:

- a. in the case of an event of default under Section 5.3(a) hereof, recoup any misused Allocated Funds that have been disbursed to the Participating Jurisdiction; or
- b. in the case of an event of default under Section 5.3(b) hereof, terminate the commitment of Treasury to make Disbursements to the Participating Jurisdiction under this Allocation Agreement and find the Participating Jurisdiction ineligible to receive any additional funds under this Allocation Agreement.

Section 5.5 Prior Notice to Participating Jurisdiction of Exercise of Remedies.

Prior to exercising or imposing any remedy under Section 5.2(b), Treasury will, to the extent practicable, provide the Participating Jurisdiction with written notice of the determination under Section 5.1 and the proposed remedy. Treasury's written notice will give the Participating Jurisdiction 10 calendar days from the date of the notice to respond. Treasury may, in its sole discretion, also afford the Participating Jurisdiction 20 calendar days from the date of the notice to remedy the default. If the Participating Jurisdiction fails to respond or remedy the default, as determined by Treasury in its sole discretion, within the applicable period, Treasury may, in its sole discretion, exercise the remedies set forth in its written notice. Nothing in this Allocation Agreement, however, provides the Participating Jurisdiction with any right to any formal or informal hearing or other proceeding not otherwise required by law.

Section 5.6 Un-enrollment and Replenishment.

The Participating Jurisdiction may submit a request to Treasury that a specific loan or investment previously made, or costs previously paid, by the Participating Jurisdiction using SSBCI Funds not be considered to have been made or paid with SSBCI Funds if (1) the Participating Jurisdiction or Treasury identifies a potentially noncompliant use of funds or (2) the Treasury Office of the Inspector General (OIG) identifies an instance of noncompliance or misuse not characterized as reckless or intentional. In this case, the Participating Jurisdiction shall follow the applicable procedures and requirements in Treasury's SSBCI regulations and guidance, including the Capital Program Policy Guidelines Section XII.
