

RESOLUTION NO. 26-15

RESOLUTION OF THE CALIFORNIA INFRASTRUCTURE AND ECONOMIC DEVELOPMENT BANK BOARD OF DIRECTORS PROVIDING FINAL APPROVAL OF AN INFRASTRUCTURE STATE REVOLVING FUND PROGRAM FINANCING IN AN AMOUNT NOT TO EXCEED \$8,500,000 FOR THE NORTH SONOMA COAST FIRE PROTECTION DISTRICT

WHEREAS, the California Infrastructure and Economic Development Bank (“IBank”) was established and is existing pursuant to the Bergeson-Peace Infrastructure and Economic Development Bank Act (California Government Code Section 63000 and following) (the “IBank Act”), for the purpose of, among other things, providing financial assistance to eligible projects; and

WHEREAS, the North Sonoma Coast Fire Protection District (the “Borrower”), a special district organized and existing under the laws of the State of California, is seeking financing under the Infrastructure State Revolving Fund Program (the “ISRF Program”) in the amount of \$8,500,000 (the “ISRF Financing”) for financing eligible project costs of the North Fire Station Expansion Project, as more fully described in Attachment A hereto (collectively, the “Project”); and

WHEREAS, the Borrower and the Project meet all applicable eligibility requirements for infrastructure projects mandated by the IBank Act and by the “Criteria, Priorities, and Guidelines for the Selection of Projects for Financing under the Infrastructure State Revolving Fund (ISRF) Program,” dated June 28, 2023 (the “Criteria”); and

WHEREAS, pursuant to the provisions of the Internal Revenue Code of 1986, as amended, and those U.S. Treasury Regulations implementing such provisions (collectively, “Federal Tax Law”), any funds incurred or expended by the Borrower for the purpose of financing costs associated with the Project on a long-term basis using proceeds of tax-exempt bonds or other tax exempt obligations may be reimbursed from the proceeds of the ISRF Financing provided that the applicable requirements of Federal Tax Law are met (the “Reimbursable Expenditures”).

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the California Infrastructure and Economic Development Bank (the “Board”), as follows:

Section 1. The above recitals are true and correct.

Section 2. Pursuant to this resolution (this “Resolution”), the Board authorizes and approves providing financing under the ISRF Program in a principal amount not to exceed \$8,500,000 to the Borrower for the costs of the Project, subject to the execution of a financing agreement between IBank and the Borrower and associated financing documentation (collectively, the “Financing Agreement”). Such Financing Agreement shall reflect the Board-approved financing terms and conditions as set forth in Attachment B hereto.

Section 3. All actions heretofore taken by the officers and employees of IBank with respect to the consideration and approval of the ISRF Financing are hereby approved, confirmed and ratified. IBank's Executive Director, Chief Deputy Executive Director, or either of their assignees, each acting alone, is hereby authorized and directed, jointly and severally, to perform their duties, provide funding, take actions and execute and deliver the Financing Agreement and any and all other financing documents and instruments they may deem necessary or desirable in order to (i) effect the financing of the Project, (ii) facilitate the transactions contemplated by the ISRF Financing, and (iii) otherwise effectuate the purposes of this Resolution.

Section 4. This Resolution shall not be construed as an unconditional commitment to finance the Project, but rather IBank's approval pursuant to this Resolution is conditioned upon entry by IBank and the Borrower into the Financing Agreement, in form and substance satisfactory to IBank, within 180 days from the date of its adoption. Such satisfaction is conclusively evidenced by IBank's execution and delivery of the same.

Section 5. For purposes of assisting the Borrower in seeking reimbursement for any Reimbursable Expenditures pursuant to Federal Tax Law, the Board hereby declares its reasonable official intent to use proceeds of tax-exempt bonds to reimburse the Borrower for any such Reimbursable Expenditures. This declaration is made solely for purposes of establishing compliance with applicable requirements of Federal Tax Law. This declaration does not bind IBank to provide the ISRF Financing or to reimburse the Borrower any of its Project expenditures.

Section 6. IBank hereby approves the execution and delivery of all agreements, documents, certificates, and instruments referred to herein with electronic signatures as may be permitted under the California Uniform Electronic Transactions Act and digital signatures as may be permitted under Section 16.5 of the California Government Code using DocuSign.

Section 7. This Resolution shall take effect immediately upon its adoption.
